Money Back Satisfaction

No one can guarantee the specific results a person gets from coaching, but we do guarantee your satisfaction with the coaching process. Each month we will do a satisfaction check and if you've taken all the actions you've agreed to, followed with a 100% commitment, and willingness to progress, and you're still not satisfied with the results, we promise to return the coaching fees from that month. The bottom line is: **We want you to join our happy and successful clients.**

REFERRAL PROGRAM: 10% commission on referred client's 1st month of service.
