

We're different from other business coaches. Our specialty is working with women because women have unique challenges. We love seeing the results our clients get when they develop the skills and use the tools designed just for them.

Our coaching programs give you strategies to grow your business, earn more money, and get you where you want to be. We'll teach you how to be a more effective professional so you're focused, fearless, and financially successful.

Top 10 Common Obstacles for Professional Women

- Unclear about Target Market
- Under Charges for Services
- Inability to Trust Decision Making
- Struggles with Time Management
- Self Care on the Bottom of the List
- Lacks the Support of a Dream Team
- Unsure How to Handle Conflict Effectively
- Tendency to Multi-task Causes Lack of Focus
- Suffers from Procrastination or Perfectionism
- Inconsistent Marketing and Unclear Messaging

If you recognize yourself, make the investment today to change these habits.

"Jane helped me move my dreams and talents into concrete success. She reminds me to stay focused on my calling and challenges me to work out the concrete details. Coaching with Jane is the highest yield investments of my career. She is the guru of guidance for the 21st century female business owner."
-Ronna Phifer-Ritchie, Ph.D., CLC
